BENEFITS

- Vibration reducing
- Dexterity
- Flexibility
- Durability
- Grip
- Comfort
- With label

APPLICATIONS

- Tool handling
- General mechanics
- Construction
- General works
- Forestry

BCL EXPERTISE

GOAT LEATHER

Very durable.
It is a perfect choice when we need dexterity and flexibility

POLYESTER

Synthetic fiber : Good resistance to abrasion.
Withstands shrinkage.

SPANDEX

High density synthetic thread that increases comfort by "second skin" effect.

Gloves made of high quality materials offer increased protection to workers in addition to being comfortable!

Their fit, dexterity and durability allow you to work safely and quickly.
